

SURVIVAL KIT

"Where is the carton with the coffee maker?"

This is a common question from most families on the move. But when we help you prepare your own personal Survival Kit, you will know where the coffee maker is shortly after the van arrives. It's right in your kitchen, along with other much needed items, where it belongs.

Here is a list of suggested items that should be put aside to be packed in your Survival Kit. Because the kit is among the first to arrive in your new home, it will help you *survive* the unloading and unpacking process with a great deal more comfort.
